Dr. George H. Locke,

Associate Director of Public Information,

Ottawa.

My dear Dr. Locke:

I was very glad to know that you had consented to act as Associate Director of Public Information. I am sure that the work of the War Lecture Bureau and anything associated with it will now be directed with energy and high intelligence, without reflecting at all on what has been done in the past. I shall of course be glad to assist in any way possible, and I will endeavour to go to Ottawa for a conference some time in November, when a suitable occasion may be found, though I have to be in New York on the 20th. Meantime I am writing an article on "The Khaki University" for Nichols, and I hope to get it ready very soon. If there is anything I can do for you I shall only be too happy to. With kind regards, I am,

Yours sincerely,

President.

Dr. G. S. Locke,

Assistant Director of Public Information,

Ottawa, Ont.

Dear Dr. Locke:

Monday, the 13th of January, is about the only date that would suit me to go to Ottawa. My engagements already are multiplying pretty rapidly.

With kind regards, I am,

Yours sincerely,

President.

December 20th, 1918

Dr. G. D. Locke,

Assistant Director of Public Information,

Ottawa.

Dear Dr. Locke:

I am putting down Sunday, January 13th, as the day to meet the Advisory Council. Would it not be possible to meet in the morning and give us the full day ? I was hoping I would be able to return to Toronto on Monday night. At latest I should have to return on Tuesday night as I have an engagement in Buffalo at the end of the week, and as the previous week is a very busy one I shall have an accumulation of business I am afraid.

With good wishes for the approaching season,

I am,

Yours sincerely,

President.
